OTHER IMPORTANT INFORMATION:

- **Online Local League Team Registration Form:** Local League Team Registration is the process of team captains letting the coordinator know that they will have a team in the league. It also allows the coordinator to gather team information that is needed to produce the match schedule. Teams are not considered “registered” until the online form is completed. The registration form is available on the registration page of the Local League Website. www.richmondtennisleagues.com
- **Match Format:** Each 3.0 – 4.5+ level team match will consist of 5 individual matches, 2 singles and 3 doubles. Each 2.5 level team match will consist of 3 individual matches, 1 singles and 2 doubles.
- **Age Limit:** Players must be 40 years old, or must turn 40 this calendar year.
- **Email:** All captains must provide an email address that they check regularly. The coordinators communicate league information by email and the league website.
- **Work Email Address Issues:** Captains who provide their work email address for league contact purposes must make sure that emails to multiple recipients are not blocked. Some captains set up a Yahoo, Gmail or other account to use for tennis purposes and to avoid having league emails blocked.
- **Tennis Link Captain Report (Captain Contact List):** Captains must register in Tennis Link as soon as team numbers are assigned. Don't forget to check the box designating the Team Captain. If the box is not checked, you will not be listed as Team Captain and you won't be able to access the Team Captain Report / Contact List. The Captains Report pulls your name, address, email address and phone number from the USTA Membership database. If the information on the Captain's Report is not accurate, you must update it by calling USTA Membership (1-800-990-8782) or by clicking “Manage Account” link on your TennisLink home page.
- **League Rules & Procedures:** Please visit the League Rules and Forms page on the local league website and review the 2018 Local League Rules and Local League Procedures. Captains should use the rules and procedures as a reference throughout the season.
- **The 3-Player Rule:** Only three players may be members together on another team in the same Division, within an age group, at the same team NTRP level, during the same season. (Mid Atlantic Rule 11d)
- **Playing on different teams at the same level:** Each player may play on one team per level within the same league.
- **Roster Limits:** Adult 40 & Over age group teams must have a minimum of 8 players for 3.0 – 4.5+ levels and 5 players for 2.5 level. Team rosters are limited to 20 players. The deadline for adding players to your roster is **the next to last match of your level's local league season.**
- **Players looking for teams:** Captains/Teams who need additional players should visit the local league website and click on the “Players Looking for Teams” page. The list of players looking for teams is updated frequently throughout the season.
