

RETURN TO PLAY REQUIRED AND RECOMMENDED GUIDELINES - USTA MID-ATLANTIC LEAGUE PROGRAM

The United States Tennis Association Mid-Atlantic Section (USTA MAS) recognizes that the coronavirus has been affecting different parts of our region in different ways and with different timing. We, therefore, believe it will be possible for people to return to playing tennis safely in some cities and states sooner than in others.

The tables below set out the minimum and recommended standards to manage safety and health when participating in or administering a USTA MAS League. Any return to competition and implementation of this guidance should be established in conjunction with the relevant state and local authorities.

Note: These required and recommended guidelines will be monitored in adherence to state and local requirements and will be updated as appropriate.
